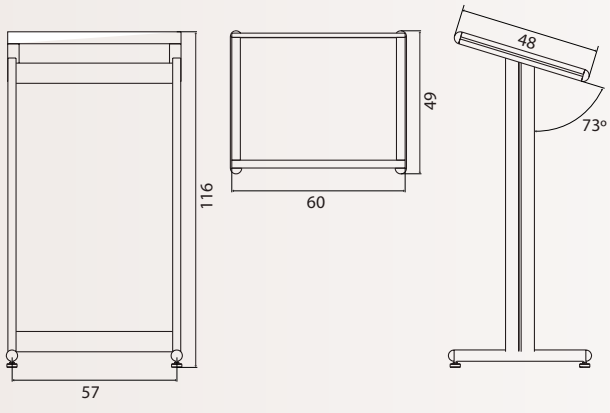
Lectern Deluxe



Standard halogen lamp

- The Lectern Deluxe is a stylish and versatile solution for any speaking engagement.
- With its standard gooseneck halogen lamp, the generous reading surface easily accommodates literature and electronics.
- The frame has a satin black powder coated finish and the black velour dress panel is compatible with Velcro® making the addition of logos or signs simple.
- Power is supplied by a detachable electrical cord and an adjustable gooseneck microphone is available as an option.
- The refined design of the Lectern Deluxe makes it the perfect choice for educational, hospitality, conference and meeting centre applications.
- The Lectern Deluxe is supplied with a European plug. On request also available with a UK or Swiss plug.
